MARKET NEWS AND GRADING DIVISION MEMORANDUM NO. GX-41

To: All Meat Grading Offices

From: R. D. Conklin, Administrative Officer
Livestock and Meats Branch

Subject: Disposing of Meat Grading Equipment

In checking inventories of meat grading stamps and equipment, it has been ascertained that in many instances meat grading offices have disposed of inventorial equipment through the Regional Administrative Services Divisions without any record being sent to the Washington office.

The Market News and Grading Division must maintain a record of all meat grading stamps and equipment and in the future each office should notify that Division when it has disposed of worn out equipment through the Regional Office.

R. D. Conklin
